

JAP FLEET ROUTED IN JAVA SEA BATTLE

British Parachutists Stage Raid in Northern France

Invasion Armada is Hurlled Back Third Time by the Allies

By ROBER D. GREENE
Associated Press War Editor

American and Allied warships were officially declared to have won a third great victory over the Japanese fleet today, hurling back an invasion armada of "several tens (equivalent to score) of ships" in a thunderous battle off the United Nations citadel at Java.

A bulletin from Dutch East Indies headquarters said that the big Japanese convoy, powerfully guarded by warships, "retreated to the north."

Late this afternoon, Indies time, the battle was reported still raging, with the enemy in full retreat northward under the fire of Allied ships.

As night fell over the embattled tropics, dispatches from Bandung, the headquarters of Gen. Sir Archibald P. Wavell's United Nations command, said it was believed that the shot-torn enemy armada was reforming somewhere in the Java Sea for a second assault.

Imperial Tokyo headquarters, issuing its own claim of victory, asserted in an English-language propaganda broadcast that the Japanese fleet had sunk four Allied craft "and is pursuing the enemy fleet."

But while the Dutch withheld word on the final outcome of the flaming day and night battle—which may hinge the fate of Java and a whole new phase of the Far Pacific struggle—the Indies command announced today:

"At 2 p. m. today (1:30 a. m. Eastern War Time), no Japanese landing on Java had taken place."

A Reuters (British news agency) dispatch said the Java sea battle was the biggest naval engagement of the war in the Pacific.

An N. E. L. communique reported losses on both sides, with the extent still unknown.

United States, Dutch and British warships and submarines, supported by American, Australian and Dutch planes, rushed out to meet the huge Japanese invasion armada yesterday afternoon as it approached Java's northeast coast.

After nightfall, dazzling flashes of gunfire lit the waters and a bright tropical moon enabled planes to remain in the battle.

A great cheer was lifted on the beleaguered island when official word came that the troop-laden enemy convoy had turned back in flight. Thousands of American, British and Australian reinforcements stood ready to meet any landing attempts.

Philippines—A bulletin from Gen. Douglas MacArthur's headquarters said fighting had dwindled to "relatively minor patrol skirmishes" after American and Filipino troops in a surprise counter-attack drove the invaders back as (Turn to Page Nine)

FULL COOPERATION URGED DURING BLACK-OUT

TO THE PEOPLE OF WARREN COUNTY:

The first War-Time Black-Out for our county will take place Monday evening, March 2d, from 9:00 to 9:15.

I sincerely urge everyone to conscientiously carry out his part in it. This is a rehearsal. The real thing may come some day.

Remain indoors quietly and avoid traffic hazards.

May I suggest that as a Christian people we may some time during this period of darkness find in our hearts the desire to offer a prayer for those boys on the Bataan Peninsula and in Java, who face a different kind of a Black-Out, and that we, as American people, will conduct ourselves in keeping with their magnificent stand against overwhelming odds.

A. M. GIBSON, Chairman,
Warren County Council of Defense.

Approximately 600 Wardens To be on Duty Controlling Populated Area of County

Every Citizen is Advised to Remain Indoors if Possible During 15-Minute Period Monday Night

ADVICE TO MERCHANTS

Warren county's first wartime black-out will be staged on Monday night from 9:00 to 9:15 o'clock, during which time every light except those in industrial plants will be extinguished in simulation of air raid conditions.

In a statement today, County Defense Council Chairman Allen M. Gibson asked full cooperation of the residents of the county during the black-out, in order that the test may be successful.

In order to control traffic during the black-out, interception points have been established both in Warren borough and in the county. In the county the traffic problem will be in the hands of the state motor police, headed by Sgt. E. B. Gings and Corp. D. A. Cehr, who have taken an active part in the organization of auxiliary police.

Warren borough traffic will be in charge of Police Chief George Hachur, with the assistance of regular and auxiliary police here.

It was pointed out that any motorist who is stopped by a traffic officer will be asked to pull to the curb and turn off lights on the car during the period of the black-out. Chairman Gibson asked that all motorists in the county cooperate with the police in this respect.

In addition to the traffic officers, approximately 600 air raid wardens will be on duty, controlling the entire populated area of the county.

The warning signal in these communities which have fire sirens will be sounded at three minutes to nine. On hearing the signal, residents should turn out their lights immediately.

In Warren borough the warning signal will be started at 8:55. The signal will be sounded here by sirens on the police car, police motorcycle, fire department emergency truck and the Gibson, Lutz and Templeton ambulances. Each has been assigned a district in the borough. The Peterson ambulance will be at the municipal building in case of emergency during the black-out.

The all-clear signal will be sounded throughout the county at 9:15. Residents should not turn on their lights until they hear this signal.

The fact that some hazard is created in a black-out, particularly as applied to traffic, has caused air raid wardens and members of the defense councils of the county to advise everyone to remain quiet (Turn to Page Nine)

NAZI RADIO STATION IS ATTACKED

Under Cover of Protecting Umbrella of Royal Air Force Fighters and With Assistance of Navy Tommies Pull Off Daring Assault Across Channel

PORTION OF INFANTRY LANDS ON THE BEACH

London, Feb. 28—(T)—Daring British parachutists and sea-borne infantry combined today in a destructive attack on a German radio detector post in the first sizable invasion of the northern French coast since the fall of France.

Under cover of a protecting umbrella of Royal Air Force fighters and with navy assistance the raiders then withdrew.

Timed to the minute, the parachutists dropped out of the clouds to form hastily an assault group against the German garrison at the same time that infantry, ferried across the English channel, landed on the beach.

Joining forces, the two detachments which a military spokesman said could not be assumed to be "small," dealt a one-two punch to the Nazi force while demolition squads wrecked the radio stations.

Then they departed as quickly as they had come, leaving behind a ruined location post and a dispersed force of German guards.

Early this afternoon a military spokesman in London said it was not yet known whether ships bringing the raiding parties back had yet landed in England.

The spokesman said the possibility of a major air battle between German bombers dealing an aerial counter-stroke and the RAF fighter umbrella "cannot be denied."

(Apparently this meant that possibly German bombers might be attempting to destroy the ships carrying the homeward-bound troops in the English Channel and were meeting stiff opposition from British fighter planes.)

No mention was made in a joint air, army and navy communique of the location of the raid except "on the north coast of France."

Some British sources predicted that this feat by hand-bitten parachutists and infantry might be the opening gun of a series of attacks against the Germans' long, exposed flank from the Arctic Circle to the Bay of Biscay.

HITLER TRYING TO LAND TROOPS FROM AIRPLANES

Russians Report They are Shooting Down Big Transport Ships Jammed With Soldiers Fresh from Training in Reich

PRESSURE INCREASING

By EDDY GILMORE
Moscow, Feb. 28—(A)—The Russians reported today that they were shooting down big troop transport planes jammed with Nazi soldiers fresh from training in Germany for a spring offensive but who, instead, were rushed to the front in a desperate attempt to reinforce and save the trapped 16th German army near Staraya Russa.

Dispatches declared that Russian gunners and fliers were frustrating repeated Nazi efforts to get such troops through and to drop supplies and ammunition to more than 96,000 Germans virtually doomed within the tightening Red army ring.

The German position was imperiled further by an outward thrust from the Red army's position at Leningrad and by the activity of guerrillas there who were said to have killed 1,480 Germans, including two generals in the past six months.

Increasing Red army pressure at both ends of the long eastern front was indicated today in reports of the Red army's winter-end offensive.

In an undersigned sector of the same front, where 96,000 or more encircled Nazis are reported faced with the choice of death or surrender on the frozen marshes of Staraya Russa, the radio said a counterattack by the Germans had been repulsed.

Factionalism in Both Parties As Campaign is Launched

Number of Candidates for Governor Mentioned by Democratic and Republican Leaders in State

PETITIONS CIRCULATED

By the Associated Press

Campaigns fraught with factionalism in both parties officially opened in politically important Pennsylvania today with the circulation of nominating petitions for governor.

Among the Republicans, U. S. Senator James J. Davis, who has served in the cabinet of two presidents, found himself opposed for the gubernatorial nomination by a popular military leader, perhaps a prominent Philadelphia industrialist, and Lieut. Gov. Samuel S. Lewis.

At the same time William S. Livingston, Jr., of Somerset, removed himself from the gubernatorial possibilities by coming out for re-election as secretary of internal affairs.

Livingston, who is completing his first term, promised in his statement of candidacy "the same honest, economical, efficient type of administration I have endeavored to bring to the office during my present term."

The Democrats were involved in a three-way feud among the top state party leaders—U. S. Senator Joseph Guffey backing one candidate, National Committeeman David L. Lawrence reportedly partial to another and State Chairman Meredith Myers openly advocating still a third. Guffey and Lawrence were in opposite camps in the bitter 1938 primaries.

Nominations for governor, other state offices and 33 members of the house of representatives will be made in the May 19 primaries. Governor Arthur H. James, a Republican, is not eligible to succeed himself.

Guffey, who has sought an "open" primary, apparently lost the first round yesterday when a majority of the state committee decided to endorse one candidate, as advocated by Lawrence. It postponed naming the man, however, for another two weeks to permit a group of party leaders to continue their efforts to find a "harmony" candidate.

Major General Edward Martin of Washington, Pa., formally entered the Republican race yesterday. Until recently he commanded the 28th Division, Pennsylvania's National Guard outfit until it was federalized more than a year ago.

FEW CREW MEMBERS - ARE REPORTED SAVED

New York, Feb. 28—(T)—The list of announced ship sinkings in the Atlantic coastal waters where Axis submarines prowled totaled 41 today, with navy disclosure that two more American tankers had been torpedoed.

Simultaneously came reports of the sinking of a huge British merchantman by a submarine in the north Atlantic, with the probable loss of 56 lives, and the torpedoing of the 7,224-ton British freighter, Scottish Star about 650 miles east of Barbados, a British Caribbean island. Fifty-six men were missing from the Scottish Star's crew of 72.

An Axis U-boat, its running lights aglow, turned the loaded Standard Oil tanker R. P. Resor into an inferno with one torpedo hit early yesterday 20 miles off Mansquan, N. J., in one of the war's most daring raids. Billowing flames were visible from fashionable seashore resorts and the fate of 28 of the Resor's 41-man crew remained shrouded in the haze of the smoking wreckage. One body was recovered.

Only one survivor, Frank Leonard Terry, 23, of Lansford, Pa., reached shore from the Atlantic Refining Company's 10,227-ton W. W. Anderson, which was smashed by a torpedo and burst into flames off the Atlantic coast. Others in the crew were believed lost.

As the fire-scared hulk of the 7,451-ton Resor drifted out of sight of shore watchers, occupants of a small fishing boat reported seeing four blackened bodies floating in nearby waters. Rough seas and the heavy oil slick made it impossible to pick them up.

Survivors of the big British merchant ship were reported (Turn to Page Ten)

Registration for Sugar to Last Over Four-Day Period

POSITIONS ARE BEING RETAINED BY MACARTHUR

Washington, Feb. 28—(T)—Fighting on the Bataan Peninsula has dwindled to patrol skirmishes, the war department said today, reporting General Douglas MacArthur's little army had retained the positions wrested from the Japanese in this week's surprise advance.

A communique said the invaders still held their main battle positions, the American-Filipino advance having pushed back only forward lines of the enemy.

At Abucay, MacArthur's forces were approximately 22 miles from the Peninsula's tip, opposite the fortress island of Corregidor safeguarding Manila Bay. At Abucay the defenders pushed northward five miles along a road to score the maximum advance of the unexpected midweek counter-attack.

General MacArthur has announced a \$10,000,000 war relief program for civilians in the Philippines, and implied the funds might be distributed both in unoccupied territory and in portions of the islands under Japanese sway.

There was no clue as to how he would make the program effective in Japanese-occupied districts.

Hoarders Possessing More Than Two Months Supply Will Be Denied Books Until Stocks Are Reduced

WILL ISSUE 130,000,000

Washington, Feb. 28—(T)—The Office of Price Administration announced today that sugar hoarders possessing more than two months supply would be denied sugar ration books until their stocks have been reduced to "normal" levels.

At the same time, it was disclosed that the registration for sugar rationing would cover a four-day period, probably late in March, and would require the services of 1,400,000 registrars and the facilities of 245,000 public schools. Teachers will act as registrars, under supervision of local rationing boards.

Approximately 130,000,000 ration books will be issued one for every man, woman and child in the United States, except members of the armed forces, inmates of institutions and persons temporarily or permanently in hospitals.

No book will be given to any person whose stock of sugar requires removal of more than eight ration stamps at the time of registration, OPA ruled. Each stamp will permit a citizen to buy one week's allotment—presumably 12 ounces, although it has been reported that officials were considering (Turn to Page Ten)

DEFENSE ZONE REACHES 300 MILES INLAND

Preparations against Axis spring raids by sea or air were tightened today with a call for all-night, every-night partial blackouts in a defense zone reaching 300 miles inland from all United States coasts.

In collaboration with military officials, James M. Landis, director of the Office for Civilian Defense, asked immediate blackout of all lights in "critical" areas which "are not capable of being put out at a moment's notice" in case of attack.

The new defense move was in step with war developments which bespoke the widening nature of the conflict.

United States and other United Nations warships were locked in battle with a Japanese invasion fleet off Java. The outcome was still in doubt here.

Previously American cruisers, destroyers and submarines have been in action in the area. It was not known here what classes of ships were engaged in the new battle.

Two more American tankers were torpedoed in the Atlantic. The R. P. Resor, 7,451 tons, was (Turn to Page Ten)

PRICE CEILINGS ARE ORDERED ON CANNED GOODS

Only Manufacturers and Wholesalers are Affected, But Retail Quotations May be Frozen if Necessary

TO HALT INCREASES

Washington, Feb. 28—(T)—Price Administrator Leon Henderson placed ten canned fruits and 15 canned vegetables under emergency price ceilings today, to halt price increases which he said would lead to profiteering and probably "accentuate hysteria."

The temporary 60-day ceiling, effective Monday, will freeze prices of the products at highest levels prevailing between February 23 and February 27.

Only canners and wholesalers are affected, but Henderson declared that retail prices also would be frozen if necessary.

Canned fruits covered by the order are apples, apple sauce, apricots (Turn to Page Nine)

EARLE SHOPPING FOR NEW NAVAL UNIFORM

Philadelphia, Feb. 28—(T)—Former Governor George H. Earle shopped around today for a new naval uniform because the one he wore in the first World War "is too big for me now."

"In Bulgaria I did a lot of walking," said the recently returned U. S. minister to Bulgaria yesterday as he was sworn in as a lieutenant commander, the same rank he held during the latter part of the first World War.

He applied for active duty immediately upon his return to this country, and the navy announced three days ago it had made available his old rank. Earle's new assignment was not announced by the navy.

Earle's formal acceptance put an end to all talk concerning the possibility that he might yield to the instance of friends and become a Democratic candidate for governor.

NO CHANGE IN 40-HOUR WEEK

Washington, Feb. 28—(T)—The house resumed consideration of the second war powers bill today after rejecting overwhelmingly a proposal to suspend the 40-hour week and extra pay for overtime.

A standing vote of 226 to 65 yesterday, with many Republicans joining Democrats in opposition, killed an amendment by Rep. Smith (D-Va.) which would have suspended 17 laws providing for the 8-hour day, 40-hour week, and time and a half for work in excess of those limits.

The amendment was strenuously opposed by the administration. It was announced on the floor that President Roosevelt was against it and would veto the war powers measure if the labor amendment were approved. The war powers (Turn to Page Ten)

Court Martials Ordered for Former Hawaii Commanders

Washington, Feb. 28—(T)—Trials by court martial were ordered today for Major General Walter C. Short and Rear Admiral Husband E. Kimmel, commanders in charge of Hawaii at the time of the successful surprise attack by the Japanese on Pearl Harbor.

Secretary of War Stimson and Secretary of Navy Knox made the announcement.

Stimson said in a brief announcement that on the basis of the findings of the Roberts inquiry commission he had directed the preparation of charges alleging dereliction of duty.

This was the charge made against Admiral Kimmel, who was without assignment since they were ordered relieved from their posts by President Roosevelt ten days after the surprise air raid on the Pacific outpost.

LIGHT CRUISER COMMISSIONED

Boston, Feb. 28—(T)—Months ahead of schedule, the new \$12,000,000 light cruiser San Juan, one of the fastest and most heavily armed ships of its type ever launched, was commissioned today at the Boston naval yard.

R. O. Grady, captain of the Boston navy yard, read the commissioning orders and then turned the vessel over to Capt. James O. Maher, a native of Utica, N. Y., who will serve as her commanding officer.

The cruiser, launched last September and sponsored by Mrs. Margarita Coll De Santori, daughter of the president of the board of commissioners of San Juan, was the first United States naval craft named for the Porto Rican capital.

Enemy Using Bases Close to America Dies Group Reports

Washington, Feb. 28—(T)—Reports that Japan and Germany are using air and supply bases close to the American continent reached the Dies committee today, following its assertion that the west coast and Panama Canal "are still in the gravest peril" from Japanese attack.

Location of the secret enemy outposts was not disclosed but informed sources said they were strategically placed either for direct action against the Americas or for disrupting vital supply routes.

Committee members, after making public a report summarizing its evidence of Japanese espionage in California, Hawaii and the Canal Zone, called on government agencies to intensify their campaign against the Japanese.

Rep. Voorhis (D-Calif.), another member, said that the government promptly should select, concentration points for the Japanese.

The committee's report was heavily documented and traced the Japanese campaign to "crush the United States," citing elaborate maps and plans for sudden fifth column work in conjunction with the attack on Pearl Harbor.

Three-Year-Old Tot Is Listed as Slayer

Newark, N. J., Feb. 28—(T)—Police listed a three-year-old boy today as a killer, saying he had admitted after hours of coaxing that he twice slammed a baby to the floor "because I don't like children; they cry too much."

The dead baby was Albert Ross, eight-day-old son of Mrs. Margaret Ross, who had brought him home from the hospital Thursday. Police said the three-year-old, who lived in the same house, killed him yesterday. Police returned their "prisoner" to his parents. Both families involved were negroes.

FIREMEN HEAR TALK ON GASES AT SHEFFIELD

Sheffield, Feb. 28.—A group of about 50 regular and auxiliary local firemen attended a lecture on poisonous gas given in the township building here Thursday for the express benefit of the fire ladders, by Lieut. Victor VerMilyea, of North Warren, reserve member of the Chemical Warfare Division, U. S. Army.

Lieut. VerMilyea, who by reason of his army training is a qualified expert on the various gases and chemicals employed in warfare, enumerated for his listeners the principal types of those gases, explained their effect on the physical being, gave the antidotes and told also how gasses over areas of land are decontaminated.

The speaker was introduced by Douglas Kropf, Warren fire chief, who is chief fire warden of the county under the civilian defense setup. Mr. Kropf was introduced by George Slater, member of the local regular fire department, who is instructor of the auxiliary department organized here a few weeks ago as part of the defense program.

WARREN MAN IS NAMED EDITOR OF OHIO PAPER

According to word just received from the University of Cincinnati, George C. Betts, son of Mr. and Mrs. George H. Betts, of Warren, has been named as supervisor of student publications and instructor in journalism at Kent State University to become the editor of the Martins Ferry, O., Times.

Betts went to the university in the fall of 1939 as graduate assistant in journalism. He was appointed director of publicity for the university and, after receiving his master of arts degree in 1940, was named instructor in journalism.

Before going to Kent, the Warren man went to Louisiana State University, where he received his bachelor of arts degree in 1939. While there, he was editor of Reveille, campus daily, and was named the outstanding student in the university's school of journalism.

The Martins Ferry Times is listed as one of five daily newspapers owned by the Dix Publishing Company.

Entertainment For Kiddies Offered by Texas Tommy Sunday

Children of Warren and vicinity are promised an interesting entertainment on Sunday afternoon at 2:30 o'clock when the Marconi Outing Club will present a program featuring Texas Tommy and his wonder horse, Baby Doll.

Sunday afternoon's program is open to all kiddies and will include many of the feats which Texas Tommy and Baby Doll have been performing in floor shows at the Outing Club all this week.

A few of the stunts performed by Baby Doll are: Dancing, walking on her hind legs, kneeling and taking deep bows; working with teeterboard, doing very difficult feats; answering "yes" and "no" questions, which brings a great deal of comedy and laughter; putting herself to bed with her own pillow and pulling up the covers; drinking out of a glass.

The show is to be presented next Wednesday and Thursday evenings, March 4, 5, in the community house, with curtain at 8:15.

R. W. Reynolds will act as inter-locutor, with Richard Schlaack and Robert Trusler as premier end men, Walter Andregg, Donald Bogart, Frank Cruickshank, James Cruickshank, Anthony Rock and Boyd Sanden as other end men. Balladists will be Preston Hoskin, Monroe Marshall and Jack Reddick.

A special black face quartet will be composed of James Cruickshank, Boyd Sanden, Richard Schlaack and Robert Trusler; opposed to a white face quartet made up of Harold Knappenberger, Clayton Sanden, Norman Shoaff and James Short.

In the chorus will be Robert Amor, James Barrett, Kenneth Barrett, Nelson Beichner, Alfred Blomquist, George Cowden, Nathaniel Drake, Robert Jewell, Guilford Jones, Philip Kern, Kermit Larson, Norman Lundahl, Harold Maeder, Harold McClure, Hugh Ollson, Robert Olskey, Milton Peterson, Gerald Rickerson, Elvis Sanden, Donald Schuler, L. E. Seavy, John Thayer and William Ward.

Completing the lineup will be the following in the minstrel orchestra: Georgia Pepke, director; Annabelle Cowden, Robert Dietrich, Donald Huck, Emmet Hutchens, Aurelia Lucia, Patricia Murray, Chris Pepke, Everett Stoke and Leidy Williams.

693 FAMILIES IN COUNTY ARE USING STAMPS

Warren county is one of 27 in Pennsylvania which have adopted the federal government's food stamp plan, according to the State Department of Public Assistance.

In this county there are 693 families which are using the plan. Addition of Luzerne in the anthracite belt brought to 17 the number of counties that have set up revolving funds for initial purchases of stamps. Commissioners of ten other counties have agreed to start the plan.

Making the relief dollar go further is the idea behind the setup. A blue stamp worth 50 cents is given free to families on state relief for each \$1.00 purchase of orange stamps. Only surplus commodities designated by the federal government may be purchased with blue stamps.

Washington authorities recently extended the program to all of the 67 counties after testing the setup in some areas, but actual operation depends entirely on local interest toward setting up necessary funds.

Warren county was among the first to adopt the plan.

BOY SCOUTS TO BE MESSENGERS FOR BLACK-OUT

One hundred and fifty Scouts are being assigned to air raid wardens for messenger service in preparation for the coming black-out Monday night. The messenger service has been established at the request of the Warren County Council of Defense. Two Scouts are being assigned to each senior post warden and each successor.

Those participating are being selected with a great deal of care by Scoutmasters. All messengers have been instructed to contact the post warden in advance of the "black-out" Monday night for special instruction which the warden may care to give.

In addition a patrol of six Senior Scouts from Troop 9 has been assigned to the local police station to act as dispatchers and another patrol of Explorer Troop No. 2 has been assigned to Sixth and Liberty streets for traffic control.

YOUNGSVILLE IS REPORTED READY FOR BLACK-OUT

Youngsville, Feb. 28.—Sector Warden Earl Walker and his assistant, Roy Crandall, are making plans for the trial black-out Monday evening from 9:00 to 9:15. Leaflets have been given out to Youngsville residents giving full directions at what to do in case of an air raid.

The following are the Youngsville senior wardens and their sections of town: H. H. Husted, West Main street; Warren Jones, North Main street; Vern Jones, East Main street to Bates street; Wendell Engstrom, Super Service to Bates, including side streets; Jay Richards, Star plant 1; Clint McAllister, Star plant 2.

METHODIST MEETINGS
The Sunday school board of the Methodist church school will meet Monday for a dinner meeting at 6 p. m., followed by the meeting of the official board of the church.

BRIEFS
Recent guests of Mr. and Mrs. R. L. Mead were the latter's brother, H. L. Mourer, of Tulsa, Okla., Mrs. Elmer Johnson and son, Bobby, of Jamestown, N. Y. Mrs. Johnson and son were en route to Fort Pierce, Florida, where they will visit her parents, Mr. and Mrs. C. R. Negus.

Mrs. Charles Spencer has been for the past week in Spring Creek, called there by the illness and death of her father, A. Mead, for whom funeral services were held Thursday, with a number of Youngsville friends in attendance. Mrs. Spencer's mother is still in the Corry hospital, convalescing from a fractured leg, and an aunt is ill at the family home in Spring Creek.

Sheffield News

BLACKOUT MONDAY
Residents of Sheffield and vicinity are prepared to participate in Warren county's first county-wide blackout test, which will take place Monday evening, March 2, from 9 till 9:15 o'clock.

Chief of Police Sanford Secor, chief air raid warden here, announces that the signal here heralding the start of the blackout will be a rising and falling note for a period of two minutes on the town fire siren. If arrangements can be completed, the fire siren signal will be augmented by a similar signal sounded on the Central Pennsylvania Lumber Company mill whistle, Warden Secor said.

All vehicular traffic will be stopped during the test period, all street lights will be out, and the lights of all business places are expected to be well enough concealed that no rays of light will be visible from outside, even if it is necessary for the lights to be completely turned out. Industrial plants where to turn out lights would necessitate a curtailment of production will not be required to conform with the "no light-showing" requirement, Chief Secor announces.

The operators of all business places which close before 9 p. m. and which customarily leave a "night" light on, are requested to see that all such lights are blacked out during the test period.

All air raid wardens will be on duty at their assigned posts during the test to aid in promoting the efficiency of the test and to record any violations that might occur and all other pertinent data that may be of value in correcting possible faults in the blackout system.

ROTARY CLUB

A talk on "The General Store," given by C. H. Whittaker, local merchant and Rotarian, was the program feature at the Rotary Club's luncheon meeting in American Legion Home this week.

Glen Belknap was in charge of the affair, at which there were present 22 persons, including a guest from the local high school, Mike Steffan.

LOCAL NOTES

Mr. and Mrs. Mike Donick Jr. have returned from Linden, N. J., where last Friday they attended funeral services for Mrs. Donick's mother, Mrs. George Starayk, former Sheffield resident. Mrs. Starayk, who died at her home in Linden Tuesday, Feb. 17, is survived by her husband and four sons and four daughters, including Mrs. Donick. The Starayks moved from Sheffield to Linden in 1928.

The Y. M. C. C. of the Bethany Lutheran Church will hold a bake sale in the B & E Shop from 2 till 4 Saturday afternoon, Feb. 28.

Pvt. Mike Donick Jr., former member of the Pennsylvania Motor Patrol, departed today on the return trip to the Army Air Base, Savannah, Ga., from where he was called north a few days ago by the death of his grandmother in Linden, N. J. His brother, George Donick, who has been employed the past few years in Linden, was inducted into the army last Saturday at Fort Dix, N. J.

Warren Man Announces Candidacy For Re-election to State Senate

First day for circulating petitions by candidates seeking nomination at the May 19 primary election this morning brought the announcement that State Senator L. E. Chapman will seek re-election this year.

It was previously announced by Assemblyman W. W. Muir that he will be a candidate again. Announcement also was made today by George L. Schweitzer that he will be a candidate for nomination as congressman in the new 20th congressional district. Mr. Schweitzer ran for congress two years ago, at which time he was defeated for the nomination by Benjamin Jarrett, of Farrell.

Senator Chapman has served the Warren-Venango county district for twelve years and has a record which reflects great credit to himself. At present he is chairman of the important appropriations committee.

Concerning Dr. Chapman, the following appeared in an editorial entitled "Good Men Suggested," which appeared in the Oil City Derrick today:

"During the years he has served as state senator, Dr. L. E. Chapman of Warren has been of great service to his district, comprised of Venango and Warren counties. His tenure and experience, and the fact that he is known as the hardest working member of the senate, are prime factors to be considered by the voters when it comes to making a choice of their state senatorial representative. It is good policy as well as good politics to keep good men on the job."

Assemblyman Muir has served three terms at Harrisburg and at present is one of the older men in point of service in the lower house. He also has a fine record of service on behalf of his constituents in Warren county.

While Mr. Schweitzer is the only person to announce for congress from this district so far, it has been hinted a number of times in editorials in the Oil City paper that

Venango county would seek to have the district's representative named from there.

Mercer county, home of the present congressman, Benjamin Jarrett, has been added to Erie and Crawford counties.

The 20th district now comprises Warren, Venango, Forest, Clarion, Elk, McKean, Cameron and Potter counties. The last two were added in the reapportionment by the state legislature this week. They were formerly in the 16th district, which is represented in congress by Robert F. Rich, of Clinton county.

NINE ARE GIVEN PERMISSION TO PURCHASE TIRES

Nine certificates for the purchase of tires were issued during the past week by the Warren county rationing boards, it was announced today. Of this number, three were for new passenger or light truck tires, three for obsolete sized tires and three for re-treaded truck tires.

These certificates were issued to the following:

New passenger and light truck tires—Charles Kovach, R. D. 2, Corry; Dr. Sperry C. Kinton, Warren; Rev. R. S. Naylor, Russell.

Obsolete sizes—Percy C. Jordan, Clarion; Christian Borne and Walker Creamery Products Company, Warren.

Retreaded truck tires—O. W. Albaugh and Paul E. Lauffenberger, Warren; Alden F. Whitcomb, Grand Valley.

Those in attendance from out of town included Dr. Anna Brice, of Cleveland, Ohio; Mrs. William Erisman, of Kenmore, N. Y.; and Charles McNett, of Clarendon.

MRS. HOWARD A. HAHN

Funeral services for Mrs. Theresa E. Hahn, wife of Howard A. Hahn, 1309 Pennsylvania avenue, west, were held this morning at ten o'clock from St. Joseph's church. Requiem high mass was sung by Father William J. Moore. Interment was in St. Joseph's cemetery with the following acting as bearers: Joseph Mascaro, Thomas Jaynes, Frank Rich, Delos Henry, John Jaynes and Thomas Musante.

In attendance from away were the following: Mrs. Margaret Mulhall, of Cleveland, Ohio; Mr. and Mrs. John Manroe, of Fort Wayne, Ind.; Mr. and Mrs. Myron Hahn, Mr. and Mrs. William Klomp, of Corry.

JOHN A. RHOADES

John A. Rhoades, of Pittsfield, died this morning at one o'clock at the Warren General Hospital, aged 62 years. He had been a resident of Davy Hill for many years. He is survived by three brothers, James and Melvin Rhoades, of Pittsfield, and Porter Rhoades, of Youngsville; one sister, Mrs. Minnie Clifton, of Warren, and several nieces and nephews.

Funeral services will be held Monday afternoon at two o'clock from the home of a nephew, Guy Rhoades, at Pittsfield.

MRS. EDITH McDONOUGH

Mrs. Edith McDonough, widow of the late M. F. McDonough, died suddenly at her home, 107 Fourth avenue, last evening about ten o'clock after a lingering illness. Services will be held from the Lutz funeral home Tuesday afternoon at three o'clock conducted by the Rev. E. K. Rogers, of the First Lutheran church. Interment will be in the family lot in Oakland cemetery.

Mrs. McDonough was born in Warren May 28, 1883, daughter of Mr. and Mrs. Walter Bovee. She was married July 24, 1900, to M. F. McDonough, and with the exception of a short period when they were in Independence, Kas., she had resided in this city where she held the respect and esteem of a host of friends who are grieved over her passing.

She was a faithful member of the First Lutheran church where she attended regularly when health permitted. Surviving are a daughter, Mrs. Katherine McDonough Miller, her mother, Mrs. Sarah Bovee, of this city, and two sisters, Mrs. W. Lynn Holcomb, of Parkersburg, W. Va., and Mrs. Octavia Richards, of Buffalo, N. Y. Her husband preceded her in death in December, 1940, and her

father passed away last December 11.

INDIA: JAP ATTACK THREATENS ALLIES' ARSENAL IN ASIA

India—rich, mystic land three-fifths the size of the U. S. and home of one-sixth of the world's population—stands directly in the path of the Jap drive westward past Singapore and through Burma. Resources and present and potential war industries here make India an Asiatic arsenal for the United Nations to defend today and use as a base for offensive in the future.

Here's One Way to Save Your Tires-- Pay Your Bills by Check

It's pretty important these days, you know, to save on your tires as much as possible. And you certainly can't walk around and pay your bills . . . too much valuable time would be wasted.

HERE'S THE ANSWER:

Open an Autocheck Checking Account. You pay only one charge—\$1 for a book of 12 checks—and are not required to keep a minimum balance on deposit. When the first of the month rolls around all you will have to do is sit down and write checks in payment of your bills . . . and mail them!

You will not only be saving your time and your tires . . . but you will find this an economical way of handling your payments . . . and your cancelled check will be your conclusive proof of payment.

THE TEST BLACK-OUT
One thing that all should remember is that the test black-out in Warren county Monday evening from 9:00 to 9:15 o'clock is no child's play. It is a serious rehearsal of what may become a necessary program for self-preservation during the coming years. Unlike the trial black-out of some months ago, there is to be no celebrating, not any of the general frivolity that marked the previous event. As a matter of fact, every person is urged to remain off the streets, if possible, for, in the event of an air raid, everyone is supposed to seek cover.

Many have expressed concern recently over the apparent failure of the rank and file to recognize that this community may some day be blasted by enemy air bombs. The complacent attitude of the people, many have heard to remark, is a dangerous matter. They see no reason to get ready for an incident and are therefore doing nothing to minimize the results of a disaster should one visit us.

Whether or not this apprehension is justified will be proven by the cooperation received during the black-out Monday evening. The officials will doubtless give the results much thought. The "it can't happen here" attitude is dangerous. It led to the Pearl Harbor disaster, and probably had something to do with the burning of the liner Normandie. And it can lead to something just as regrettable right here in Warren.

The local Defense Council has been trying to make it plain that we are in danger. Germany has bombers which are capable of flying from the coast of France to Warren and Pittsburgh and back again. Again, it is possible for Nazi planes operating from carriers in the Atlantic to reach this section.

We are within range of the German Luftwaffe. Let us never forget that.

One bombing attack would jolt the people from their attitude of indifference. But, let us hope such a disaster will not be necessary. After all, we are an intelligent people. Let us not deceive ourselves. Neither let us be hysterical. Rather, let us accept the facts as they are—with no wishful thinking—and get ready for the worst, hoping and praying that it will never happen.

By following directions for the black-out Monday evening, all will be experienced in what to do if the bombers come, and remember "it can happen here!"

LENTEN SERMONETTE
"REJOICE"
Rev. Dwight Jack, Methodist Church, Youngsville

"Rejoice in the Lord always, and again I say rejoice." To hear these words is to identify them with the one who wrote them. Paul is writing this letter while in prison. He realizes that he has come to the end of his life's career. His last long preaching tour into new communities and visiting old friends has been made. Paul is certain of this. When will he face execution? It may be any moment—perhaps tomorrow.

Tradition tells us that he was beheaded in prison. Yes, it was a long traveled road from that place on the Damascus highway, where he met his Lord face to face, to the very place where now he writes this letter. Few life-highways have been more rough and full of suffering. Once the apostle enumerates all that he had undergone in hardships. It is a list that challenges the faith of every reader. "Of the Jews five times received I forty stripes save one. Thrice was I beaten with rods, once I was stoned, thrice I suffered shipwreck, a night and a day I have been in the deep; in journeying often in perils of water, in perils of robbers, in perils by my countrymen, in perils by the heathen, in perils among false brethren; in fasting often in cold and nakedness. Beside those things that are without, that which cometh upon me daily, the care of the churches." (II Cor. 11:24-28.)

Few men, if any, have endured more for Christ than he. But Paul knew that there was no cause more worthy. To suffer for Him was to glorify His name. To die for Him was to have greater assurance of eternal life. But I ask myself, what reflection of attitudes would we Christians today register under such strains? Could we under such a struggle write such a letter of praise? I wonder. But Paul did not grow bitter by enduring hardships. His bonds of suffering brought him closer to that Present Help in times of trial. So close that his heart and soul burst forth in this exultant mood: "Rejoice in the Lord always, and again I say rejoice."

Here is the message for us in this present hour. Let us not grow tired in well doing. Nor bitter when the cross lays heavily upon our shoulders. But like Paul rejoice, for, Jesus the Saviour reigns, The God of truth and love; When He had purged our stains, He took His seat above; Lift up your heart, lift up your voice! Rejoice again, I say, rejoice.

—Charles Wesley.

HEARST

WASHINGTON IN WARTIME
By JACK STINNETT
WASHINGTON—In spite of all the complaints and calumny heaped on the head of the American business man for our halting, jerky progress military preparation, some pretty astute observations here are already beginning to say that he probably will emerge as one of the war's real heroes.

Putting the United States industrial machine into high gear is like trying to get an elephant away from the batter in time to keep up with the field at the Kentucky Derby. The point is that the only jockey that could ride herd on the brute at all is that afore-mentioned American business man.

duction status of that article is, and the minute a lag shows up, the Division reports to the proper WPB executive who takes steps to pick up the slack.

For example there are dozens of units that go into a tank. There are tank hulls, motors, transmissions, guns, treads, etc. A bottle neck in any one of these will stop one whole section of the entire tank program.

Almost as soon as there is a slow-down in the tank program, the PRD official knows it. He calls for a breakdown on the tank production sheet. He gets another immediately that may show the slack is in transmissions. He gets another breakdown sheet, showing progress at all factories producing tank transmissions and then the trouble-shooting starts.

IN some instances, PRD officials say, they have been able to spot the source of a bottle neck within 30 minutes after it first appeared on the initial progress sheet.

There is plenty of red tape in the war production effort, even outside political circles. Any one who sets out to look for it, doesn't have to look far.

The insignia of army officials stationed here is a blue star on a white background, encircled with a narrow band of red. Washington is fond of saying, "That's a general in a white fog, surrounded by red tape."

Sometimes, it seems that the whole business is like that, but it isn't and in spite of all the red tape there is, the U. S. production machine is gathering steam.

The Warren Rifle Club won matches with Lakewood, Ohio, and the New York Stock Exchange recently. Those who participated for Warren were Peterson, Keller, Mathis, Sweeting, Walters and McCutchen.

G. A. Wallace has arrived from Corry and formally taken over the Carver Hotel. Plans have already been started for improvements to include the corner store which has been occupied by the Palace of Sweets.

The Mendelssohn Choral Society of seventy voices will present A. R. Gaul's "The Holy City" on Thursday, March 10, at Grace church.

The speaker at next week's Kiwanis Club meeting will be Congressman T. C. Cochran.

EDSON'S WASHINGTON COLUMN
BY PETER EDSON
Times-Mirror Washington Correspondent
Washington, Feb. 28.—Now that Mrs. Roosevelt is out of the Office of Civilian Defense, it can be told how she got in. It was her idea, she was coaxed against it by some of the President's closest advisers, but because she felt that something had to be done, that the country had to be aroused to full mobilization, that everyone had to get busy and do something, she went to work. She was told a President's wife couldn't mix officially in government matters. She was warned what might happen. It did.

Melvin Douglas' appointment as director of the unfortunately named "War Council of the Arts" in OGD was something else. Douglas himself had the original idea on this booking office for actor-writer-musician talent and came to Washington to sell the idea to anyone who would listen. The movie actor had no idea of doing the job himself, but when he explained it to Dean James M. Landis, then executive director, and now director of OGD, Landis persuaded Douglas to stay and do the job himself.

Incidentally, other defense agencies like the idea—though not the name of this Arts Council for the reason it takes off their necks the job of finding something for all this volunteer talent to do. Douglas, in other words, is a convenient buck to whom poster painters, patriotic poets and pen pushers can be passed.

Donald M. Nelson's associates and subordinates affectionately call the War Production Board boss "Uncle Donald"—but not to his face.

J. S. Knowlton, president of Stewart-Warner who is now head of the important Division of Industry Operations in WPB, likes to think of himself as "just another poor old machinist." He introduced himself that way at his first press conference when he explained some of the headaches of the industry conversion program for shifting civilian goods manufacturers to war production.

"Over-conversion" is one of the dangers of this work, as machinist Knowlton sees it. For instance, tanks A-1, but if all the locomotive plants are converted to tank manufacture, what happens when we need some more locomotives? Similarly, typewriters. The typewriter industry can be converted 100 per cent to war production but it seems that even the Army and Navy must certainly Washington, wouldn't be able to win the war without typewriters. Knowlton admits the conversion effort has been criticized for lack of speed. A case can therefore be made, he says, to give makers of typewriters A-1 priorities so as to produce more "critical articles." And he admits that's a rotten pun too.

There is one confidential but authoritative prediction of how prices may rise this year.

Non-durable goods (foods, fuel, etc.) up 15 per cent.

Durable goods (hardware, furnishings, etc.) up 18 per cent, but there may be a drop of as much as 60 per cent in the total dollar volume of sales through inability to get merchandise to sell.

Services (rent, electricity, etc.) up 5 per cent.

Don't look for the immediate production of those "Victory" model automobiles, tires, refrigerators and such stuff. The victory model idea, you'll recall, is to provide an economical, standard design article which one manufacturer would be authorized to make during the war period only, for sale by dealers of all manufacturers.

The present theory is to produce two-year stockpiles of all these civilian goods items on which there (Turn to Page Five)

MAN ABOUT MANHATTAN
By GEORGE TUCKER
NEW YORK—The lights had dimmed to a candle-glow, and the orchestra was playing a soft, Iberian lament. The man at my right was having a casserole with Spanish wine, but the woman at his side was beating time to the changing rhythms of the song with her hands. A girl from Bogota got up from a table and walked to the piano player and said something to him in a low tone. He nodded in agreement, and then the girl from Bogota began to sing. She sang in Spanish. It was a song about a girl who wanted a sweetheart. . . . She didn't care whether he was poor or rich, whether the pants he had said old or new. . . . If necessary, she said, she would hock her shirt to help him out.

Then she walked back to her table and sat down, but all the people were clapping their hands and shouting through cupped hands "Bravo. . . ."

SHE sat next to a man who was very dark and dressed in dark clothes, and the heritage of his Spanish ancestors was very pronounced in his features. I glanced around the room. Most of the people, the men and the women, were very dark and they had come from Spain or from South America or Mexico. They seemed glad to be there. They conversed excitedly in the fluid tones of their native lands and they interrupted their conversations to stamp their feet and shout "bravos" to the dancers and the singers who came on.

It was interesting to watch these people at El Chicho, that fine restaurant in Greenwich Village which has been a favorite gathering place for Spanish speaking people for so many years. Most of the people I saw could speak English but few were able to speak it without some telltale trace of accent. And listening to them talk, and recognizing the moods that flitted across their features, I was reminded of a story Ben Hecht wrote about a cafe frequented by refugees in New York. In this story Hecht was moved to wonder what his own reactions would be if somehow, someday Americans would find themselves gathered as killers in some forgotten corner of the world that the Luftwaffe could not reach.

MANY so called Spanish night-clubs and restaurants come and go but the years find little change in El Chicho. It is my favorite Spanish cafe.

One night I sat next to a Spanish admiral and heard Benito Colada, owner of the restaurant, predict a Spanish Civil war in which tens of thousands would be killed. The Admiral laughed, and the upshot of this talk was a small side-wager of a bottle of champagne that no Civil War would result. Two years later the Admiral came back to the United States with his family. One of his first moves was to visit El Chicho.

"I have come to pay you that bottle of champagne," he said.

First Church of Christ, Scientist
312 Market St.
Sunday service 10:45 a. m. Sun-
day school at 12 o'clock. Wednes-
day evening meeting at 8 o'clock.
"Christ Jesus" is the subject of
the Lesson-Sermon in all Churches
of Christ, Scientist, on Sunday.
March 1. Among Bible citations
comprising the Lesson-Sermon is
the following: "When Jesus came
into the coats of Caesarea Phil-
ippi, he asked his disciples, say-
ing, Whom do men say that I the
Son of man am?... And Simon
Peter answered and said, Thou art
the Christ, the Son of the living
God." The Lesson-Sermon also in-
cludes the following passage from
the Christian Science textbook:
"Science and Health with Key to
the Scriptures" by Mary Baker
Eddy: "The invisible Christ was
imperfectible to the so-called per-
sonal senses, whereas Jesus ap-
peared as a bodily existence. This
actual personality of the unseen and
the seen, the spiritual and mater-
ial, the eternal Christ and the cor-
poral Jesus manifest in flesh,
continued until the Master's as-
cension, when the human, material
concept, or Jesus disappeared,
while the spiritual self, or Christ,
continues to exist in the eternal
order of divine Science, taking
away the sins of the world, as the
Christ has always done, even be-
fore the human Jesus was incar-
nate to mortal eyes". (p. 334).

Kolpienmen Win Loop Windup by 34-29 Count Over Kane

Early Lead Allows Dragons To Coast Through 2nd Half; Spenik in Foul Line Drama

An interesting league season, if nothing else, came to a close on Saturday night as Coach Heinie Kolpien's Warren High Dragons regained their footing and turned in a nifty performance before a surprisingly good sized crowd of nearly 500 fans, and downed the Kane Wolves by a 34-29 count.

And early lead clinched the victory for Warren, after which the local mentor allowed his team to coast through the last half, though in the final period, the five starters finished out the contest for the ideals and had their hands full with a visiting foe that never for the briefest moment considered its side out of the seat game.

Mencer popped the opening basket for Kane and Bob Wright struck back with a foul for Warren. Spenik then retaliated with a foul for the Wolves and Ted Black took a pretty pivot shot which knotted the score.

Spenik cashed in on one of two foul shots to regain the lead for Kane, but that was the last time they set the pace, for Marty Smith hit the strings from the field, Wright dittoed, Lundquist shot a foul point, and after Spenik again made one of two free shots, Black closed the first period scoring with another goal to give Warren a 10-5 lead over Coach Red Parson's aggregation.

A 12-8 margin in favor of Warren in the second chapter left a 22-13 count at halftime, a comfortable lead which Warren had little trouble in holding for the remainder of the skirmish.

Kane picked up point in the third canto with a 9-8 margin, and three more in the fourth when they outscored the Dragons 7-4, but time ran out before they could close the five-point gap which still separated the two outfits.

Oddly in the contest was the fact that Spenik shot no less than 15 fouls, making good on 10 of them; exactly the same average as the entire Warren team had. The Wolves together tried 23 times from the foul line, cashed in 15 times.

Bob Wright, who had a hard time getting started, left the winners with nine points while Smith and Lundquist both followed with seven apiece.

For Kane, it was all Spenik, and while he was limited to only three field goals, all of which were made in the last half after Bob Lundquist had held him scoreless from

the field in the first portion of the contest, his foul points hiked his total to 16, over half of the Kane total.

Highlights: Jim Urbanski showed sensational aggressiveness at times in taking the ball away from the opposition and otherwise interrupting their attack. Three members of both teams had three fouls on them before the fracas was over, but not one player was eliminated on personals. Referee Abele called 31 fouls, 16 on Warren, 15 on Kane. Red Parsons, Kane mentor, bowed to a pain in his side at the half, and Assistant Coach Tom Drummond finished out for him. An examination for symptoms of appendicitis revealed nothing.

The Kane mentor went home directly after the game, however. Gloria Genge, local cheerleader, had trouble adjusting herself to the first, she and her brother, Bill, gave distinctly different cheers, then she innocently yelled out, "Fifteen for Sheffield," which, of course, was the keynote for lots of harmless laughter.

The prelim between the Wolves and Dragon seconds, went to the visitors 16-15 after a brilliant fourth quarter rally.

OIL CITY MAN TO INSTALL NEW BOWLING ALLEYS

One of the most modern public bowling establishments in this district will be opened in Warren in the near future, it was revealed today when it was announced that the building occupied by the Weigel Motor Sales, 810 Pennsylvania ave., east, has been purchased for that purpose by Harry R. Bittenbender, of Oil City.

Eight new alleys, including the latest in bowling equipment, will be installed on the second floor of the building, and work of remodeling to meet the requirements of the alleys is being started at once.

Entrance to the bowling alleys will be through a doorway to be constructed in the front of the building at the east corner.

Mr. Bittenbender, former Chrysler automobile dealer in Oil City, purchased the building from the Warren Bank and Trust Company. The cost was not disclosed. However, Mr. Bittenbender said today that his total investment in the business here will be approximately \$38,000.

The Weigel Motor Sales will continue to occupy the first floor of the building, it was stated.

It was stated by Mr. Bittenbender that he expects the work of remodeling the building and installing the alleys to take about six weeks, thus giving bowlers a chance to use them before warm weather cuts down activity.

BRADFORD HAS GOOD CHANCE TO CARRY NORTHERN LEAGUE HOPES FARTHER THAN EVER BEFORE IN NEARING ELIMINATIONS

Comparing Bradford to other representatives of the Northern League in other years when it has come up for eliminations, this corner would enter the opinion that if District Nine is ever to see anything beyond the western regions, it will this year. But we don't think it's our turn yet to win the state gonfalon. Bradford has shown itself to be a strong team, offensively and defensively, though in a close game it has a weakness to forget still and throw caution to the winds. Farrell looms as the team the Owls will have to meet to invade Pittsburgh, and the schoolboy quints down around Smokytown have cut each other's throats so many times this year, they probably won't come up with a very decisive champion. True, the class of ball has been up with a good down trend, probably a bit better, than in this area. A shopworn outfit seldom puts up its best performance after a grueling league campaign. Coach Harold Bracco's boys have all the experience of them they should need to compete with other teams in the eliminations. They possess speed, accuracy and teamwork, all of which goes into a record such as they now boast. But the eastern part of the state has long been sending plenty tough delegates to the state finals, and probably will again this time. Lower Merion, defending champion, is expected to return to the finals, and a veteran squad for this school hopes to complete the difficult task of repeating. It's going to be a hard road for the Owls, but Warren fans and this department are 100 per cent behind them from now until the end of their trail. May it be a historical tour for the Braceros.

The National League schedule was released yesterday and, while space did not permit us to print the program completely, here are the dates of all weekend home stands to be made by Pittsburgh, the Pirates long having been a favorite with Warren fans because they're nearby and convenient to reach for a weekend bill: April 18, 19, St. Louis; May 2, Brooklyn; 3, Boston (2); 23, Chicago; 24, Chicago (2); June 6, Philadelphia; 7, Philadelphia (2); 13, New York; 14, New York (2); July 4, Cincinnati (2); 5, Cincinnati; 11, Philadelphia; 12, Brooklyn (2); 18, Boston; 19, Boston (2); August 8, St. Louis; 9, St. Louis (2); New York; 30, Brooklyn (2); September 5, 6, Chicago; 19, 20, Cincinnati. There you have it. Cut it out and it may come in handy when you start looking for a ball game some weekend this summer. You'll notice there are 12 Saturday and Sunday games at home for the Buccos, nine double-headers, and besides the Fourth of July, they'll also be home on Monday, September 7, Labor Day. P. S.—They may have a real team this year, too.

Bank Shots... Who was it said Bob Pastor and Lem Franklin would make a good battery because Robert can pitch 'em fast and hard and Franklin makes a swell target so he gets it across the pan? Ouch... All of which reminds us to mention, however, that Pastor and Conn should be a beautiful masterpiece of ring match-making. While both are awaiting their guillotine again March 27, with Joe Louis while Abe Simon goes to the guillotine, they might just as well warm up playing the executioner's role. They should get blasted out of the ring, then there would be no need for the Bomber to work overtime disposing of both individually... Youngville is beginning to drum up interest in its coming season climax with Warren here next Thursday night... Looking at the schedules, where you can find a few teams through which both the Dragons and Eagles can be compared, the Red and White hoopers shouldn't be taken too lightly, regardless of the fact that the skirmish will take place on Beaty court.

TITLE PLAYOFF IS NEEDED BY GROVE, RUSSELL

Russell, Feb. 23.—With a lopsided 26-15 defeat at the expense of Kinzua's desperate but outclassed Kaizers last night, Russell High school's cage quints ended its season with a deadlock with Sugar Grove for first place in the Upper Allegheny League, which will necessitate a playoff next week.

Jr. Akley, led the winners with 12 points, Milo Parks following with eight. Chubberson topped the Warriors with seven.

LANDER BEATEN EASILY

Sugar Grove, Feb. 28.—Sugar Grove placed itself in a final with Russell last night in the northern section of the Upper Allegheny League via a victory over Lander on the Grove court by a 28-22 count.

A playoff will be scheduled for next week to determine the representative in the eliminations approaching in the near future.

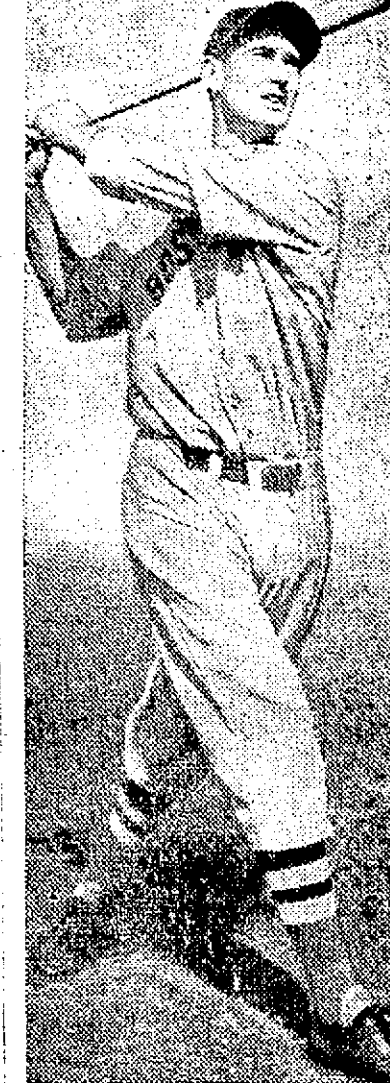

Abbott led the Grove with 13 points last night while Wilcox collected nine for Lander.

TED WILLIAMS SHEFFIELD CLINCHES SECOND PLACE IN 2ND HALF OF LOOP WITH EASY WIN OVER KANE

Ted Williams

Minneapolis, Feb. 28. (P)—Deferred from selective service by action of a government agency, Ted Williams, 1941, American League batting champion, today prepared to leave for the Boston Red Sox training camp in Sarasota, Fla.

Williams yesterday was advised that a presidential appeal board had reclassified him under a 3-A rating rather than 1-A. The information came shortly after an announcement was made in Boston that the slender Red Sox left fielder had signed his 1942 contract. Although terms were not disclosed, reports were that he would be paid \$20,000 for the season.

Ludlow High School lost to Mt. Jewett, winners of the McKean county Class 2 League, in a hot and heavy contest last night, but not before giving the Mounties a real run for the prize. The score was 40-31.

Johnny Hubon set a new scoring mark at Ludlow with 154 total for the season to 151 which he piled up last year, and led with 10 points last night.

The game was tied at halftime and at the end of the third quarter, but Ludlow faded in the fourth.

Sheffield, Feb. 28.—Coming through with a decisive, 52-25 win over the Emporium Hi Tubers last night at Emporium while Bradford was downing Johnsonburg and Warren was turning back Kane, the Wolverines clinched second place in the final half standings of the North League, whose season ended with last night's contests.

It was the best league season enjoyed by the Orange and Black since, if memory serves aright, the days of Sheffield's championship team of the 1930-31 campaign, and needless to say it has been thoroughly enjoyed by the local fans.

Over the entire league season, the Wolverines who after several mediocre or downright desultory seasons in the circuit, came through, under the tutelage of Coach Joe Massa in the Warren youth's first year at the coaching helm here, with 10 victories while losing only 4 decisions. The first half, they lost to Bradford and Warren to finish third behind those two clubs. This last half, the calls lost again to the championship Bradford club and to Kane to finish second.

Emporium got a three-point lead early in last night's fray, but the Massamen kept pecking away at the margin and by the end of the period had gained a 9-8 advantage. Then, in the second quarter, the locals cut loose with a point barrage that definitely leave in the lurch the Tubers, who scored but a meagre 4 points. The Wolverines kept their attack rolling with 13 points in the third session and stepped it up in the finale to register 17 more and win going away, but rapidly.

FIRST LADY THROUGH WITH PUBLIC OFFICES

New York, Feb. 28.—(P)—Mrs. Franklin D. Roosevelt says she will not take any more government positions while her husband is president.

Asked whether she would be associated with a proposed women's auxiliary air corps, as had been reported, the first lady said in an interview that she would not become the head of that organization "or otherwise take public office again."

"I can't take a government position because of my being the president's wife," she added. "I found that out."

SIAMESE TWINS DIE OF RESPIRATORY FAILURE

New York, Feb. 28.—(P)—Death came to the Siamese twin daughters born here to Mrs. Jessie Picciotto after 39 hours of life, with respiratory failure tentatively assigned as the cause.

Dr. Peter Timpono, who delivered them, said an autopsy would be held.

Weighing a total of nine pounds, four ounces, the twins were face to face and joined from a point just below the chest to about an inch below the navel.

New York, Feb. 28.—A submarine combat ship, its keel laid three weeks after Pearl Harbor and built in the record time of 63 days, slid into the water today under the sponsorship of the wife of a naval hero.

Even as the vessel—the PC-487—was sliding down the ways a crane swung the keel piece for PC-487, its successor, into position and company spokesmen said they expected it to be ready for launching June 1.

Invasion Armada is Hurdled Back Third Time by the Allies

(From Page One)

Burma—Japanese infantry suffered 2,000 casualties in a series of bull-like rushes to capture a British-held bridgehead on the Sittang river, but the British acknowledged that the situation was "very serious."

Japanese troops were reported massing for a renewed smash toward Rangoon, the Burmese capital, which already has been put to the torch.

Australia—Army Minister Francis Forde extended military rule to cover the whole northern territory of Australia as the battle for Java raged toward a climax. The fall of Java would give Japan a green light for invasion of the huge but thinly-populated Australian commonwealth.

British dispatches said the Java sea fight began when the Japanese attempted to invade the 620-mile-long island from both ends, sending one force toward Batavia on the west and another toward the big Soerabaja naval base on the east.

Specific claims were advanced by the Japanese, however. Imperial headquarters said an Allied cruiser and three destroyers had been sunk and Dornier reported a British cruiser of the Exeter class put out of action ablaze under two bomb hits.

The Japanese, however, were silent on their own losses.

edition that the Arcade Ladies' League was overdue for some high scores, we meant it. But we didn't expect the Harriet-Bryts to go out and smash every record in the books.

Last night they set a new team total, 2458, new team game, 867, and Mrs. Hand set a new individual total, 550, while Mrs. Coyle batted out 228 for a new single game high mark. P. S.—They took their usual four points.

At the Elks, where bowling was mediocre for the most part, Carl Patchen paced everyone with 242 and a 580 series. One of two honor roll scores, Doc Gerrety having the other.

At the Conewang Club, Chuck Young started off with a small 157 game, then broke loose for 226 and 256 in ripping off a 639 series that was the best in town last night. Helped the Trevenens on end in taking three points from McClures.

Factionalism in Both Parties as Campaign Is Launched

(From Page One)

The "New Guard" Republicans chose William H. Harman of Philadelphia as their candidate, but he hasn't said yes, or no yet.

Guiffy's candidate is Judge Ralph Smith of the Pittsburgh common pleas court. Auditor General Clair Ross is close to Lawrence. Myers has come out for Dr. Luther Hartz, former Philadelphia city treasurer who now is a bituminous coal consumers counsel. Another candidate also in the field is former Mayor William McNair of Pittsburgh.

coits, cherries, fruit cocktail, fruit salad, peaches, pears, pineapples and plums.

Canned vegetables involved are asparagus, all dry beans, lima beans, snap beans, beets, carrots, corn, peas, pumpkins, sauerkraut, spinach, sweet potatoes, tomatoes, tomato catsup, and tomato juice.

Henderson reported that average prices of canned fruits and vegetables at the canned level had increased about 20 per cent since last August while retail prices had advanced about 10 per cent in the same period.

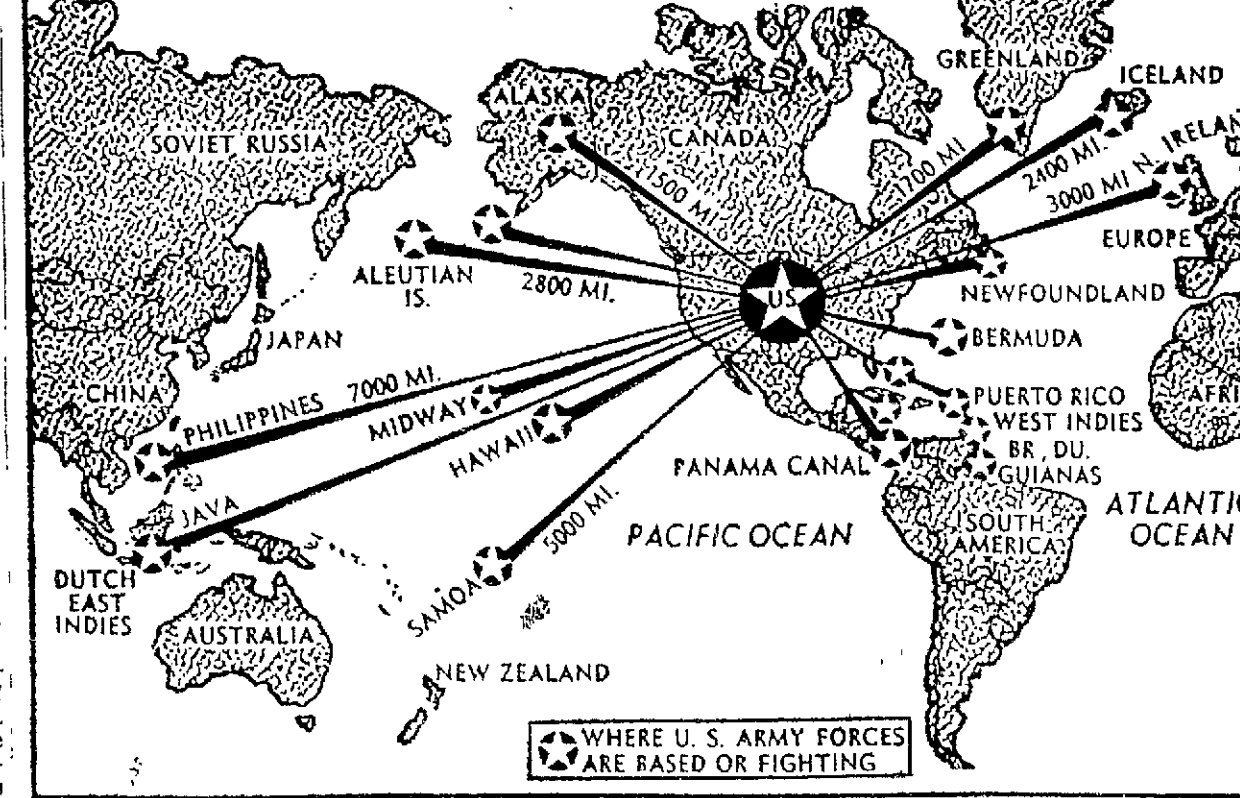

In addition to price increases, he explained, consumer hoarding and over-buying by wholesalers and retailers had produced an "unhealthy condition which the price action will do much to alleviate."

Nazi Radio Station is Attacked

ly indoors during the 15-minute period Monday night.

Defense Chairman Gibson called attention to the fact that more people have been injured in England in accidents during blackouts than with bombs.

Special attention was called to the fact that storekeepers should make sure that all night lights and signs are extinguished. All lights in homes which can be seen from the outside should also be extinguished.

It was stated today that some residents have indicated that they did not intend to cooperate in the black-out. It was pointed out today, however, that air raid wardens have orders to visit any houses not blacked out and ask the occupants to turn off their lights. If they refuse, a complete report will be made to Sheriff William Stuart, chief air raid warden for the county.

There have been distributed throughout the county 10,000 instruction leaflets telling families what to do and what not to do during a black-out. Everyone has been requested to read these carefully in order that the black-out Monday night be completely successful.

Y.; Mrs. John Erikson, Alekey; Mrs. Elsie Erikson and daughter, Ann Marie, Frewsburg, N. Y.; Mrs. Evelyn Storer and son, John Daye, Jamestown, N. Y.

Bruno was enjoyed, with Mrs. Caldwell receiving high prize and Mrs. Pete Peterson low. A two-course luncheon was served and the bride-elect was showered with many gifts.

GIVE SHOWER FOR
MISS RITA GUTHRIE

Mrs. Peter Demel and Mrs. Harold Demel entertained at the home of the former for a miscellaneous shower which honored Miss Rita Guthrie, a bride of the near future.

Prizes for an evening of games went to Miss Guthrie, Mrs. Ray Bimber, Mrs. Lawrence Carlson and Mrs. Austin Stafford. At a late hour the guests were invited to the dining room where the table was beautifully decorated in pink and yellow. The bride-to-be was presented with many lovely gifts from the 17 guests present, together with their best wishes for happiness.

Mrs. Stafford, of Buffalo, N. Y., was an out of town guest.

RETURN FOR VISIT

Mr. and Mrs. Romain Cole, of Sharon, spent the past week as guests of Mr. and Mrs. Ray D. Cole at Sheffield. Mr. Cole, known to many friends in the vicinity as Tony, expects to resume his duties as inspector at the Malleable Steel Castings Company in Sharon this week.

Mrs. Earl Easton also spent a few days with Mr. and Mrs. Cole in Sheffield.

CLUB TO GIVE
MEMBERS' LUNCHEON

At one o'clock Monday afternoon in the clubhouse, the Woman's Club will entertain at luncheon those members who have joined since last September. Others are invited, also and reservations in at noon today indicate a large attendance.

The regular meeting at 2:30 o'clock will be that of the Art Department, with a report of the nominating committee for election of departmental officers and a program of movies on the Philippines by Clarence Lawson.

MID-WINTER RECITAL

REBEKAHS HAVE
FAREWELL DINNER

Mrs. Dorothy Nollinger, leaving to make her home in Jamestown, N. Y., was guest of honor last evening at a farewell dinner given by Lady Warren Rebekah Lodge.

There was a large attendance of members to present the former officer with an attractive gift. The regular lodge session was held at eight o'clock, when it was voted to purchase two \$50 Victory bonds. Mrs. Etta Brown was appointed to take charge of the quilts to be made by members for the Red Cross and those not present last night are asked to be at next Friday's meeting or call Mrs. Brown.

Next Friday will be the regular supper night, with lodge at 7:30 and a card party at eight to which the public is invited. A practice session was held by the degree staff following last night's meeting.

COUNTY OCTOGENARIANS
OBSERVE ANNIVERSARIES

Youngsville, Feb. 28—Special gatherings this week marked birthday anniversaries of two local residents who are more than 80 years of age. The 81st anniversary of N. G. Young was observed at the home of Archie Davis last Sunday with a dinner party and presentation of many gifts from the guests. His brother, Charles Young, aged 84, was honor guest at a dinner party given at the home of his son, Earl Young. He, too, was showered with gifts. In the evening of the same day, Mrs. Alma Johnson and Manley Johnson were guests for a birthday supper honoring Mr. Young.

FIRE IN INCINERATOR
Fire equipment at the Warren State Hospital was called out this morning for a smoke smudge in the incinerator but there was no damage to the small brick building.

ATTEND MEETING

Four members of the Warren County Defense Council organization were in Franklin today attending a regional meeting on defense training. Those attending were: William Stuart, chief air raid warden; John G. Rossman and H. L. Blair, of the defense training committee.

STILL IN MOTION

The Allegheny Hiking Club's usual Sunday afternoon jaunt, postponed from last Sunday, will take place tomorrow afternoon, if the day provides any sort of favorable weather. Several regular hikers who have been unable to participate in recent weeks will be present tomorrow, and new hikers are cordially invited to join the group at General Joseph Warren Park at 2:15 p. m. for a trip of about six miles of easy walking in an area not far from town.

SCHOOL OPENS TUESDAY

The training school for members of the Auxiliary Fire Service of the borough will be inaugurated Tuesday and it is expected that a large number of the 85 members will be in attendance. The sessions of the school, to be held each Tuesday evening for a period of eleven weeks, are to be held at the state armory in Hickory street at 7:30 o'clock. At the Tuesday meeting the school will be organized and topics to be discussed are the chemistry of fire and use of chemical fire extinguishers.

CAR HITS BANK

Private K. E. McCoy, of the local barracks of the Pennsylvania Motor Police, investigated an accident which occurred about six o'clock this morning on Route 27, near Grand Valley. An Auburn roadster driven by Walter Kiffer, 22, of Titusville, which was proceeding toward Titusville is reported to have skidded and struck the rear of a tractor-trailer driven by Harlan Carter, of Saranac Lake, N. Y. After striking the trailer Kiffer lost control of his car, and after continuing in the highway for about 150 feet, it crashed head-on into a bank. The truck is owned by the Emanuel Alboum Petroleum Transport Company and was hauling gasoline from Titusville to Buffalo. The truck was undamaged but about \$100 damage resulted to the Auburn.

BOYS
IN THE
SERVICE

Mrs. Belle Miller, 29 South South street, has received word that her son, Darrell L. Miller, who is stationed at Savannah, Ga., has been promoted from private first class to the rank of corporal.

Word was received here yesterday that Charles F. Kottcamp, of New York, son of Mr. and Mrs. Frank Kottcamp, 18 Russell street, has been commissioned an ensign in the U. S. Naval Reserve and has been ordered to report for active duty on Monday, March 9.

DOLLARS AND SENSE
WILL BUILD OUR DEFENSE

★ In the great national effort we are making today two factors of vital importance are:

Materials for defense
Conservation for individuals

★ It takes judicious saving to put money at the disposal of our Government where it can be used to supply our defenders. It takes good old common sense to buy wisely so that your dollars will go where they will be of the most use to you. So, for national defense, make the most of your money for yourself and for your Government by avoiding waste, by saving a reserve for your future needs, and by purchasing, out of income, from month to month your share of U. S. Defense Savings Bonds and Stamps.

the school house on Monday evening. Talks were given and two very interesting moving pictures were shown.

The Thrift Club of the Evangelical church will meet on Friday evening, Feb. 27th, at the home of Mabel Blair.

Mr. and Mrs. Lester Elos and children from Jamestown were Sunday visitors at the home of Mr. and Mrs. Robert White.

The Woman's Society of Christian Service will meet on Friday at the home of Mrs. I. G. Hyer.

Marshall Larsen from Meadville spent the weekend at the home of his parents, Mr. and Mrs. Will Larsen.

A missionary group has been organized for some of the younger girls in the Methodist church and their first meeting was held at the home of Mrs. Mildred Steele where an enjoyable program was held. The hostess then served a dainty lunch. The following officers were elected: President, Miss Joyce Barnes; vice president, LeElla Mac Knight; secretary, Dorothy Henderson; and treasurer, Margaret Jetter. The next meeting is to be held at the home of Miss Dorothy Knapp on March 20th.

The Philanthropic Bible Class which was to have met in the Methodist church parlors on Monday evening has postponed it until Tuesday evening, March 2nd.

Clarendon's defense organization is progressing rapidly and first aid meetings are being held each week in the borough building where lessons in bandaging, etc., are given by Mrs. Doty. It is hoped no one will forget the blackout which is to take place on Monday evening, March 2nd, from 9 to 9:15 o'clock.

papers were being distributed today, the first day for such action.

Harr, who is counsel to the consumers division of the bituminous coal commission, has made no announcement, but Meyers said the attorney was definitely in the race.

Setting the stage was yesterday's meeting of the state committee, which decided to adhere to the rule requiring it to support one candidate.

Then in the day's second meeting, the committee of 20 was given until 2 p. m. March 14 to see whether the party's resources could be put behind one man satisfactory to all.

National Chairman David L. Lawrence, who previously had insisted the committee abide by its rule, made a spirited plea for the delay.
